Oh! Oh! This is my jam! I *must dance!*
I support you, hun. If you want to act like an idiot, by all means, feel free.

Dance with me!
Uh, no. I don't think so.

Please? I need a partner for the dance to work!
I don't see how that involves me.

But if you refuse to dance, it'll trigger my belligerent boogie syndrome! I won't be able to stop aggressively prancing!
SKWOOSH
You're just making stuff up now!!

Uh-oh, here it goes!
The boogie is taking over!
What? No!
NO!!!
